

Additional Advantages

1. All pricing is obtained for you by the Co-Op.
 - a. SUPER Co-Op / DJ Co-Ops secure the guaranteed-lowest-prices of any school related entity in the State.
 - b. All manufacturers approved in California are invited to provide pricing to Co-Op members.
2. Districts may receive volume discounts (rebates) from processors based on the buying power of the entire co-op.
 - a. Only schools in the SUPER Co-Op receive volume rebates. No other schools in CA receive volume rebates.
 - b. Approximately 70% of Co-Op members receive more money in Volume Discount then they pay for SUPER Co-Op / DJ Co-Ops services.
 - c. Volume Discounts are in addition to all other rebates offered to schools.
 - d. Several processors allow SUPER Co-Op to combine purchases from other states to achieve increased volume and larger rebates (DJ Co-Ops is administrator for Co-Ops in Ohio and Michigan)
3. SUPER Co-Op also bids for Distributor services.
 - a. Member districts can receive multiple deliveries per week to multiple locations.
 - b. Commodity and Commercial products are delivered on the same truck
 - c. Product is put in your warehouse, not left on the dock.
4. Diverted commodities are available all year long. Fresh turkey and chicken, which have higher yields when processed, are available after the advance offering.
5. All perpetual inventories of commodities on hand at suppliers are verified by DJ Co-Ops.
6. Better utilization of commodities is achieved (i.e. you are given a total dollar amount to spend on USDA foods. You may buy all of one item, or none. Your dollars are yours to spend as you see fit.
7. Unlimited trading of products within the SUPER Co-Op is available without paper transfer to the state.
